Marriage Minute

Parents everywhere can relate to Martha in this Sunday's reading. We have too much to do and not enough help. This dilemma makes us cranky, especially with our spouse.

Jesus is not giving Mary license to slack off. She was listening to Jesus, which he considers the "better part."

Of course, this does not mean we should abandon our jobs and children and head out to the monastery. If we don't build our day around some quiet time with God and our spouse, the tasks of the day will take over.

- Commit a specific time for prayer, perhaps 15 minutes before the kids get up.
- Make spousal connection a habit:
 - Coffee together before work
 - Lunchtime check-in call
 - Chat while doing dishes
 - Snuggle together before bedtime
