Happy Birthday NEKAAA

Who are we?

"Northeast Kansas Area Agency on Aging"

How old are we?

"40 years old!"

Have you heard of us and what we do?

"We might be helping your parents, your family, or your friends in seven Northeast Kansas counties by financially supporting meals on wheels, congregate meals, homemaker services, attendant care services, emergency response devices and respite care. We answer questions about Medicare, provide assistance in applying for Medicare's prescription drug coverage and assist with applications for *extra help* for individuals with limited income and resources. We do counseling, provide resources and assist in the day to day needs of those who are elderly and disabled."

How do we provide all of these services?

"We receive financial support from the State of Kansas and Uncle Sam; although, we are not a government agency. We have a significant need for community support and donations. The people in our office do all the rest; answering questions, making home visits, providing information, and making sure the state, federal funds and donations are maximized to do the most good."

What do we want for our birthday?

"Tax deductible donations - because a significant number of seniors are waiting for help. As you may know, Uncle Sam and Kansas have reduced the amount of funding available to provide senior services needed in our area. Without a gift we will need to further cut back on what we have been doing to help parents, family and friends."

How do you gift wrap this request?

"Put your gift (donation) in an envelope addressed to the Northeast Kansas Area Agency on Aging, 1803 Oregon, Hiawatha, KS 66434. Or, bring it in your pocket or purse to the office and meet the great people at our agency who are here to help all of you!" Donations can also be made at YouCaring.com by searching for Northeast Kansas Area Agency on Aging.
