World Day for Grandparents and the Elderly

Pope Francis has instituted a Church-wide celebration of a World Day for Grandparents and the Elderly starting this year. "How important grandparents are for family life, for passing on the human and religious heritage which is so essential for our society."

Blessing for Grandparents

Lord God Almighty, bless our grandparents with long life, happiness and health. May they remain in your constant love and be living signs of your presence to their children and grandchildren.

**Significant water damage occurred in the old church basement due to an age old water pipe breaking.

The stagnant water in the basement has damaged the floor and created moisture. The water damage has been fixed. We are necessitated to have a new floor. A new epoxy floor is going to be installed in the floor of the entire old church basement. The south part of the basement will cost \$11,805. The north part will cost \$13,845. We would like to have it finished by Labor Day so the Altar's Society can use the basement as they have done in previous years. We are seeking your support as we did not anticipate this expense in the budget. You may put your donation in the Sunday Collection marked "Church Basement Floor", drop by the parish office or drop your check in the black drop box. Thank you!
